

Our newly revised cookbook . . .
just published!

A HOPEFUL PASSOVER

.... now in its second edition, with 31 new pages of
Passover recipes and seder musings from members
of the Fabringen havurah in Washington, DC

Proceeds from the sale of this cookbook help fund the Fabringen Havurah's Project Hope, which has provided long-term support to formerly homeless families in our city since 1989. Our goal is to help them lead independent, materially secure, and fulfilling lives. Our support system has included tutoring, enrichment and mentoring activities for the children, financial support, housing assistance, intervention with municipal bureaucracies, vocational counseling, and friendship. Most recently, we have supported a young woman who is the first in her family to go to college.
