# Yizkor Memorial Booklet

**Yom Kippur 2008/5769**

In honor of loved family and friends  
who died within the last year

## *In Memory of . . .*

---

### **Ruth Goldman**

(1921 - 2008) We remember our mother and grandmother who died in August. Ruth "did it all" with passion and determination: a 34-year legal career, community and political activist, world traveler, lifelong learner, partner to our father Harold (z"l) for 59 years, and loving mother and grandmother. We miss her and carry her legacy inside each of us.

*Debbie, Fran and Hannah Goldman*

### **Marvin Ravinsky**

My father's cousin helped liberate the Philippines and earned three combat medals, cared for his parents and raised three abandoned girls. He died on skid row and we buried him with full military honors.

*Bob Rovinsky*

### **Hyman D. Rothkopf**

Uncle Hy was above all a devoted grandfather and, until his death at 93, a dedicated service leader at his congregation in Philadelphia.

*Ellen Garshick*

### **Samuel Sattler**

In loving memory of our dear friend whose smile and wit will always be with us. Sam, rest in peace.

*Steve and Stan*

### **Marcia Segal**

Marcia Segal was a warm and loving daughter, wife, mother, grandmother and great-grandmother. She lived with an open heart. The world is poorer for her death.

*Sheryl Segal*

### **Arnold Smith**

Arnold was my brother-in-law and my sister's husband for over 50 years. I hope he is resting in peace.

*Carol Simon and Art Cohen*

### **Hilda Bernstein Silverman**

I first knew Hilda as Philadelphia's ACLU director during the controversy over the city funding an altar for a papal visit. We were Israel-Palestine peace activists in Philadelphia, Washington and Boston for thirty years. We were very much kindred spirits.

*Kay Flick Elfant*

### **Isabelle Soref**

A loving wife, great mom, grandmother, and outstanding teacher. She was intellectually curious, hospitable, honorable, enjoyed cooking and was devoted to her family.

*Rosalyn Soref*

### **Bertha "Bert" Fliess Tepfer**

1918 Clifton Forge, Virginia – 2008 Eugene, Oregon. Bertie was a loving, devoted mother, wife, grandmother, aunt, friend, bicyclist, hiker, gardener, and bread and cookie baker. She was green before green became cool.

*Diane Tepfer*

### **Stuart Weiss**

Stuart and his young daughter shared many Shabbats with us in Fabrangen's last years at GW Hillel. A true mensch with a quest for Jewish learning.
